Scientific computing, machine learning and large data management: Scientific computing, machine learning and large data management (9:00 AM - 10:30 AM)

time	[id] title	presenter
9:00 AM	[70] Advancements in X-ray Wavefront Sensing and At-wavelength Metrology at the Advanced Photon Source	Dr SHI, Xianbo
9:30 AM	[49] A new user-friendly tool for simulating the efficiency of multilayer gratings	WALTERS, Andrew
9:50 AM	[21] Efficient simulation and AI surrogate models for real-time optimisation	FEUER-FORSON, Peter
10:10 AM	[25] A New Ray Trace Computer Program For Radiation Safety	Dr LEE, Lance
