The new MX beamline at Elettra 2.0: μ XRD

Monday, July 3, 2023 9:40 AM (20 minutes)

The new high brilliance microfocus μ XRD beamline will be presented. μ XRD aims to fulfill the needs of current XRD2 community and will open new opportunities to Elettra MX users.

Presenter: DEMITRI, Nicola (Elettra Sincrotrone Trieste)

Session Classification: Session 1 Macromolecular Crystallography Chair: Michele Cianci (Università Politecnica delle Marche)
