

Elettra 2.0: New Structural Biology Opportunities

Monday, July 3, 2023

Session 2 Cryo-Electron Microscopy Chair: Rita De Zorzi (Università degli Studi di Trieste) (2:00 PM - 4:20 PM)

time	[id] title	presenter
2:00 PM	[10] The Structural Biology program at Elettra: present and future	ONESTI, Silvia
2:20 PM	[9] CryoEm Facility in Trieste: Instrumentation and complementarity with IOM-CNRLabs	DAL ZILIO, Simone
2:40 PM	[11] Development and implementation of cryo-electron microscopy at the National Institute of Chemistry, Slovenia	PODOBNIK, Marjetka
3:10 PM	[24] Application of cutting-edge cryo-EM methodologies to study DNA replication and repair	DE BIASIO, Alfredo
3:40 PM	[21] Machine Learning in Structural Biology	ANSUINI, Alessio
4:00 PM	Coffee
