

# LEDS Workshop – Longitudinal Electron beam Dynamics for coherent light Sources

## Tuesday, October 3, 2023

**CompactLight, lessons learned: Chair, Federico Nguyen (ENEA) (2:30 PM - 4:00 PM)**

time	[id] title	presenter
2:30 PM	[1] CompactLight: how to write a proposal	D'AURIA, Gerardo
3:00 PM	[2] CompactLight: bunch compression, microbunching instability and seeding aspects	LATINA, Andrea
3:30 PM	[3] Beam loading effects in photo-injectors, simulations and measurements	OLIVARES HERRADOR, Javier
