

Nanoscale Transport Phenomena

Friday, December 1, 2023

Electron transport: Electron transport (1:45 PM - 3:50 PM)

time	[id] title	presenter
1:45 PM	[15] On the element-selectivity of core-level transient grating spectroscopy	CHERGUI, Majed
2:20 PM	[16] Lattice dynamics in 2D materials probed by time resolved soft X-ray spectroscopies at ELETTRA synchrotron	DELL'ANGELA, Martina
2:55 PM	[17] Imaging heterogeneity in light induced phase transition on the nano-femto scale	WALL, Simon
3:30 PM	Coffee break
