

## 6th European Workshop on Epitaxial Graphene and 2D Materials

6th European Workshop on Epitaxial Graphene and 2D Materials

SPECSGROUP

MB SCIENTIFIC AB

Kashiyama  
Vacuum Solutions

CINEL

Contribution ID: 92

Type: **Contributed Talk**

# 2D materials as host for single-atom impurities, metal nanostructures and van der Waals materials

*Friday, May 17, 2024 2:05 PM (30 minutes)*

**Primary author:** KOTAKOSKI, Jani (University of Vienna, Faculty of Physics)

**Presenter:** KOTAKOSKI, Jani (University of Vienna, Faculty of Physics)

**Session Classification:** Session 10
