

6th European Workshop on Epitaxial Graphene and 2D Materials

Friday, May 17, 2024

Session 10 (2:05 PM - 3:50 PM)

time	[id] title	presenter
2:05 PM	[92] 2D materials as host for single-atom impurities, metal nanostructures and van der Waals materials	KOTAKOSKI, Jani
2:35 PM	[52] Metal atoms on functional nanoplateforms - Investigating 2D materials and their functionalisation via ion implantation	ÅHLGREN, Harriet
2:55 PM	[79] A two-dimensional aperiodic network hosting Eu	FÖRSTER, Stefan
3:15 PM	[85] The end of the road of Schottky rectification	WEBER, Heiko
3:35 PM	[98] SPECS Presentation	BÖTTCHER, Stefan
