

# Workshop on liquid systems: science and standards for delivery

## Monday, December 4, 2023

### Molecular systems - T1 Conference Room (2:00 PM - 4:10 PM)

time	[id] title	presenter
2:00 PM	[15] Ultrafast circular dichroism in the deep ultraviolet: a new approach for capturing structural molecular dynamics in solution	Prof. OPPERMANN, Malte
2:30 PM	[16] Let the Data do the Talking: Insights from Molecular Simulations of Water	Dr A. HASSANALI, Ali
3:00 PM	[17] Multisite Probes for Chemical Dynamics	Dr INGLE, Rebecca
