### Session 10 - Attosecond Science II: Attosecond Science II

#### Session

11:10 - 11:40 AM

#### New directions in Attosecond Chemistry

**Speaker**

Prof. Fernando Martin

11:40 AM - 12:00 PM

#### Ultrafast dissociation dynamics of alkyl iodides induced by few-fs UV pulses

**Speaker**

Erik Månsson

12:00 - 12:20 PM

#### Attosecond-resolved Ultrafast Electronic and Nuclear Wavepacket Dynamics in Furan at the C K-edge

**Speaker**

Stefano Severino

12:20 - 12:40 PM

#### Attosecond Coherent Electron Dynamics Triggered by XFEL Pulses

**Speaker**

Marco Ruberti

12:40 PM
