

NETLINCS - New Trends in Linear and Non-Linear Spectroscopic Studies of Natural Chirality

Wednesday, December 4, 2024

Theory - Sala Kastler (2:00 PM - 3:20 PM)

time	[id] title	presenter
2:00 PM	[26] Ultrafast molecular chirality: a topological connection	SMIRNOVA, Olga
2:40 PM	[2] A perspective on chiral structured light	FORBES, Kayn
