### SASE FELs: attosecond pulses and special operation modes

#### Session

4:45 – 5:05 PM

#### Attosecond pulses with cathode laser shaping at SwissFEL

**Speaker**

Dr Zhaoheng Guo

5:05 – 5:25 PM

#### Towards attosecond SASE: generating photon pulse durations below the cooperation length limit

**Speaker**

Evgeny Shneydmiller

5:25 – 5:45 PM

#### Experimental demonstration of high-brightness, mode-coupled, and mode-locked SASE in an X-ray FEL

**Speaker**

Wenxiang Hu

5:45 PM
