

PACRI Annual meeting

Contribution ID: 19

Type: not specified

WP13: Prototype of high average power optical compressor

Wednesday, March 25, 2026 2:30 PM (30 minutes)

- 13.1: Modelling of ther. load impact on grating under vac. and valid. with existing syst.
 - 13.2: Exper. charact. of dielectr. grat. samples with dens. power comp. with kW beamline
 - 13.3: Compressor design based on dielectric grating technology for kW beamline
- WP13 Comments and questions

Presenter: CHALUS, Olivier (THALES LAS)
